VACCINE REGISTRATION CAMPAIGN

REGÍSTRESE PARA LA VACUNA COVID-19
Podemos vencer al COVID-19 con la vacuna!
 El primer paso para recibir la vacuna es registrarse. Inscríbete en la lista. La vacuna es GRATIS y le brinda la mejor protección contra el COVID-19. La única forma de vencer esta enfermedad es vacunando a todos.

Datos importantes sobre la vacuna.

- Las vacunas son gratuitas. No se le debe pedir que pague.
- Necesitará vacunas de seguimiento para una protección completa contra el virus.
- Incluso después de la vacunación, tome precauciones para mantenerse a salvo. Use una máscara, manténgase a dos metros de distancia, evite los grupos y lávese las manos.

REGÍSTRASE HOY!
 1-855-600-3453 o cvvaccine.nmhealth.org

REGISTER FOR THE COVID-19 VACCINE
We can beat COVID-19 with the vaccine!
 The first step towards receiving the vaccine is to register. Get on the list. The vaccine is FREE and provides you with the best protection from getting COVID-19. The only way we will beat this disease is to vaccinate everyone.

Important facts about the vaccine

- Vaccinations are free. You should not be asked to pay for them.
- Scientific studies have proven that the vaccine is safe. Vaccination provides very strong protection against this disease.
- You will need follow-up shots for complete protection from the virus.
- Even after vaccination, take precautions to stay safe. Wear a mask, stay six feet safe, avoid groups, and wash your hands.

REGISTER TODAY!

Congratulations on your vaccination!

HERE'S HOW YOU CAN STAY SAFE

After you are fully vaccinated, follow the CDC's guidelines for approved behavior:

YOU CAN:

- Visit inside a home or private setting without a mask with other fully vaccinated people of any age
- Visit inside a home or private setting without a mask with one household of unvaccinated people who are not at risk for severe illness
- Travel domestically without a pre- or post-travel test
- Travel internationally without a pre-travel test, depending on destination
- Travel domestically or internationally without quarantining after travel

YOU SHOULDN'T:

- Visit indoors, without a mask, with people at increased risk for severe illness from COVID-19
- Attend medium or large gatherings

FOR MORE INFORMATION, VISIT:
www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html

¡Felicitaciones en su vacunación!

ASÍ ES CÓMO PUEDE QUEDARSE SEGURO

Después de estar completamente vacunado, siga las pautas de el CDC para comportamientos aprobados:

LO QUE PUEDE:

- Visitar el interior de una casa o entorno privado sin una máscara con personas completamente vacunadas de cualquier edad
- Visitar el interior de una casa o entorno privado sin máscara con un grupo de personas no vacunadas que no corren riesgo de padecer enfermedad grave
- Viajar dentro del país sin una prueba previa o posterior al viaje
- Viajar internacionalmente sin una prueba previa al viaje, según el destino y a nivel nacional o internacional sin poner en cuarentena después del viaje

NO DEBERÍAS:

- Visitar el interior de una casa o entorno sin máscara con personas de mayor riesgo de enfermedad grave por COVID-19
- Asistir a reuniones medianas o grandes

PARA MÁS INFORMACIÓN VISITE:
www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html

VACCINATE TO UNMASK

We can all breathe a little easier

FULLY VACCINATED EMPLOYEES can unmask.

UNVACCINATED EMPLOYEES must wear a mask or face covering.

FROM WEARING FACE COVERINGS INCLUDE:

- Drinking with at least 6 feet of other individuals
- Face covering presents a safety risk for health reasons
- Working alone in an enclosed private space or road or other heavy equipment

This emergency policy is effective May 2021 and shall be effective until rescinded.

Employee Posters

VACCINATE TO UNMASK

and we can all breathe a little easier

GUIDELINES FOR WEARING A CLOTH FACE COVERING:

Fully vaccinated employees have the option of choosing whether or not to wear a cloth face covering.

Employees who are not vaccinated must wear a mask or face covering while on duty or while on County premises, both inside and outside.

At least one cloth face covering will be issued to each employee and should be used in accordance with CDC guidelines. If a personal face covering is used, it may require approval from Risk Management.

AS COVID RESTRICTIONS EASE, people are eager to get out and celebrate. This is a great time to remain vigilant about staying off the roads if you've been drinking. Remember to make a plan, find a safe ride home, be the designated driver, help others, and stay safe.

TIME BEHIND BARS IN NEW MEXICO

FIRST OFFENSE 90 DAYS
When you get your first DWI (driving while intoxicated) in New Mexico, you may spend up to 90 days in jail.

DUI VEHICULAR HOMICIDE 15 YEARS OR MORE
Vehicular homicide involving driving under the influence is a second-degree felony. Convicted motorists generally face up to 15 years in prison and a maximum \$125,000 in fines. However, if you have at least one prior DWI conviction that occurred within the past ten years, you're looking at up to 19 years in prison.

The jail doors slam when you drive drunk. This Memorial Day weekend plan to be and stay off the road if you've been drinki

SANTA FE COUNTY DWI PROGRAM

LET'S ALL GET VACCINATED

We can beat COVID-19 with the vaccine!

New Mexico has done a great job with vaccinations. If you still haven't received yours, now is the time. Here's why:

- The vaccines are safe and effective.
- None of the vaccines can give you COVID-19.
- Vaccines allow you to do more.
- Without a vaccination, you can still get the virus and spread the virus.
- Vaccinations will help stop the pandemic.
- Vaccination scheduling has opened up.
- No questions will be asked.

SANTA FE COUNTY

INDEPENDENCE

BE CAREFUL OUT THERE.
The Fourth of July is one of the deadliest holidays for DUI related deaths.

FACTS: OVER THE FOURTH OF JULY HOLIDAY IN 2019,

- 38%** of the drivers killed in auto accidents were in alcohol-impaired-driving crashes
- 79%** of alcohol-impaired motor vehicle traffic crashes occurred at night
- 69%** of those who died in alcohol-impaired crashes had at least one driver with a blood alcohol concentration at or above 0.15

SANTA FE COUNTY DWI PROGRAM

VACCINATE TO UNMASK

and we can all breathe a little easier

It's understandable to be hesitant about getting vaccinated. What you need to know is the benefits far outweigh the risks. Look to doctors, nurses and religious leaders for trusted advice. Here are some reasons to get vaccinated:

- When you are fully vaccinated, you can unmask in businesses that follow CDC guidelines. Enjoy the start of returning to normal!
- You may have no side effects or some common, minor ones. Although you may feel sick, the protection vaccines provide from getting COVID-19 are worth it.
- Trusting the government on vaccinations is the right thing to do. Hundreds of millions of people have safely received the vaccine to protect themselves and their families.
- Pharmaceutical companies are providing effective vaccines with close monitoring. The vaccines are approved by the FDA and have received vigorous, ongoing testing.

IF YOU'RE DRINKING AND YOUR EYES AREN'T WORKING, IT'S USUALLY THE ALCOHOL

"Drinking alcohol will slow down reactions and therefore reflexes will be slower. This is one of the main reasons why it's dangerous and illegal to drink and drive. This slow reaction also affects your vision, with a slower pupil reaction, making it more difficult to clearly distinguish between different objects based on lightness and darkness."

This means not driving impaired and following COVID safety guidelines: wear a mask, stay at home as much as possible, and maintain a 6 foot distance from others. Stay focused.

COVID-19 SAFETY ZONE FOR YOUR MASK

SIX FEET SAFE

STAND what a 6 feet really looks like.

IT'S VITAL TO REMAIN SEPARATE in gatherings to 6 feet social distance and wearing your mask. Remember to stay home as much as possible and get tested if you have symptoms. Stay safe around your immediate household & stay socially distant.

DWI PROGRAM MATERIALS

GUESS HOW MANY PEOPLE DIED LAST YEAR DUE TO ALCOHOL-RELATED CRASHES IN SANTA FE COUNTY.

YES, 12.

WE CAN DO BETTER.

SANTA FE COUNTY
DWI PROGRAM

COMMUNITY SERVICES DEPARTMENT Think Safe

You know the drill, but stay diligent in staying safe with COVID. Stay home, wear a mask and keep 6 feet safe. Friends have always been a big part of Super Bowl parties. Let's change that up this year and limit our celebrations to household members. We can do it.

REGISTER FOR THE COVID-19 VACCINE

Important facts about the vaccine

- Vaccines are free. You don't need to be eligible to get it.
- Scientific studies have shown that the vaccine is safe and effective.
- You will need to get two doses of the vaccine.
- You will need to wait 14 days after the second dose before you can travel to other countries.

The first step towards receiving the vaccine is to register. Get on the list. **The vaccine is FREE** and provides you with the best protection from getting COVID-19. The only way we will beat this disease is to vaccinate everyone.

We can beat COVID-19 with the vaccine!

TODAY!
