Good Afternoon Health Council Partners,
We hope you are doing as well as possible today!

The Northeast Region Health Promotion Team is pleased to be able to formally invite you to the Health Policy and Legislative Training for Health Councils. This virtual training will be offered on **Thursday, December 10th at 10AM** via Cisco Webex and is one of the required trainings to be completed as part of deliverable 2 for this year.

Gwendolyn Gallagher, Northeast Region Community Health Epidemiologist will be the presenter for this training. Ms. Gallagher worked for two years in the NMDOH's Office of Policy and Accountability, coordinating legislative bill analyses for the Department. During this time, she learned about our state's legislative process and how to analyze and advocate for bills during legislative sessions.

Training objectives include the following:

1. Review the legislative process in New Mexico
2. Discuss principles of advocacy
3. Review health-related, proposed legislation for the 2021 session

Go here to register for the training: <https://www.surveymonkey.com/r/WYLK9J5> **by Friday, December 4th**. An Outlook meeting invitation with meeting information will be sent out to all registered participants. If you are unable to receive Outlook invitations, please email christa.hernandez@state.nm.us and I will email you the access information to the training.

We thank you for your time and we look forward to meeting with you soon!
