### Bus Passes

Any organization serving low-income individuals that would like to apply to become an Indigent bus pass vendor for one day and/or 31-day Indigent bus passes can call 311 and make that request. The ABQ RIDE Finance Department will call back and ask the organization's representative to meet with their staff person and complete an application. This application will then be reviewed by the Director of ABQ Transit and the organization will be informed whether or not they have been approved to become a vendor.

**Children under age 10** ride free when accompanied by a paying adult. **Veterans** ride free on ABQ Transit buses with a VA medical card.

Most of the social services and healthcare agencies/organizations contacted do provide Indigent passes (one day and/or 31-day) to their clients who are in their programs, but most do not sell them or provide them free to the public.

**One day bus passes** (unlimited rides the day you use the pass)

One day bus passes cost \$2 to the public.

ABQ Transit offers one day passes to their bus pass vendor agencies only for \$1 apiece to give to Indigent individuals.

Many agencies give passes to the clients they are case managing. Here are the passes for clients who are not directly working with case managers:

- Albuquerque Healthcare for the Homeless client advocates give out 100 one day passes per day M-F.
- APD COAST gives out one day passes on outreach.
- Central United Methodist Church gives out 100 passes daily during their Helping Hands ministry: 9:00 – 10:30 Wednesday, Thursday, Friday only (along with coffee, clothing and toiletries; restroom and phone available during this time).
- First Nations Community Healthsource (FNCH) Homeless Outreach Program (HOP) gives out 5 one day passes daily.
- HopeWorks Day Shelter no longer gives out one day passes in the Day Shelter.
- The Rock at Noon Day does not give out one day passes.

**31-day Indigent Bus Passes** (the 31 days starts the first day you use it)

- ABQ Transit offers these passes only to their bus pass vendor agencies to give away or sell at cost.
- St. Vincent de Paul Clearinghouse (SVdP) sells Indigent passes.
- Salvation Army sells 200 to very low-income individuals beginning the first of the month for \$10 at two sites: 1) Monday and Friday only they sell passes at their 501 Broadway SE office (this location will only be open those days for bus passes and food boxes, but not financial assistance); and 2) Monday-Friday at 4301 Bryn Mawr Dr. NE (main office). The hours at both locations are 9:00 to 11:30 am and 1:00 to 3:30 pm. Family Services phone number is 872-1171, ext. 8.
- HopeWorks Behavioral Health sells 400 passes monthly (limit 2 per person who's buying them) and they usually run out 1 to 2 weeks each month (mid-month usually).

- The Rock at Noon Day is no longer a vendor for passes to sell or give away.
- Goodwill Industries only sells passes to their employees who qualify for Indigent passes, not to the public.

**Silver 31-day Bus Passes** (\$12) are only for persons with disabilities or who have a Medicare card or who are 62+ years old. The pass is not activated until used and is valid for 31 days.

You can purchase these Silver passes at ABQ Transit Customer Service Center on 1<sup>st</sup> Street or at any Albertson's after you have obtained an Honored Citizen's ID.

To obtain an Honored Citizen ID, if you are age 62+ you only need to show your photo ID and pay the \$2 fee. The Honored Citizen ID is valid for 1 year, after which you can re-apply.

If you are under 62, you can download the application (<https://www.cabq.gov/transit/tickets-passes/honored-citizen-discount>) or go to ABQ RIDE Customer Service Center window or lobby and request it. Next, provide your complete application and if you:

- are on Medicare, you must show your Medicare card and your photo ID and pay \$2.
- are not on Medicare and are under age 62, and have a disability which results in your being mobility impaired, you must have the application signed by a medical provider and pay \$2.

Once you have your Honored Citizen (picture) ID, you can either pay 35 cents each ride or you can purchase a 31-day Silver pass for \$12.

**Student passes** (\$12) for students age 10 through High School.

Middle and High School students can ride for 35 cents each ride by showing proof of being a student (eg., a valid school ID).

To purchase a \$12 Student bus pass, the student must show a current school class schedule (or other proof of being a student).

**College/Vocational passes** (\$12).

For college and vocational school students, a current school class schedule must be provided when purchasing a \$12 College/Vocational bus pass.

**Summer Youth Pass** (June 1 – August 31). These will be provided free to vendors selected by ABQ RIDE who will be given the passes by mid-May.

### Sun Van Paratransit Service

Sun Van, ABQ RIDE's paratransit service, provides accessible transportation to persons residing in or visiting the metro area whose impairment makes it impossible to ride the fixed route service. Sun Van provides origin-to-destination service to and from any address in Albuquerque and most of Bernalillo County. Door to Door service is also available upon request at time of reservation. All permanent riders must be ADA-certified through an interview process at the Transit Department Administrative Offices at Alvarado Transportation Center, 100 First St. SW (phone no.: (505) 243-7433). Applicants must fill out an application form and either drop it off at the Transit Department Administrative Offices or fax the application to (505) 212-0131 or mail it to:

ABQ RIDE  
Sun Van Applications  
100 First SW  
Albuquerque, NM 87102

Service hours are the same as the fixed-route service.

Advance reservations are required: reservations are accepted 3 days in advance when made Saturday through Thursday; on Fridays, reservations are accepted 5 days in advance. Sun Van reservations by phone: Monday-Sunday, 8 am to 5 pm

The fare is \$2 for each one-way trip, which can be paid for with coupons (10 per book) or cash. Coupons are available at ABQ RIDE or call 243-7433 (V/TTY) for other sales locations. (Call (505) 724-3151 or email [spgarcia@cabq.gov](mailto:spgarcia@cabq.gov) to find out about visitor eligibility and allow 2 business days for a response).

### Guaranteed Ride Home

Guaranteed Ride Home is a form of insurance for commuters who regularly use alternative modes of transportation instead of the Single Occupancy Vehicle (SOV). You must register for this service. When you choose to carpool, vanpool, ride the bus, bike, or walk to work or school at least 3 times a week, you will not be stranded should an emergency arise. In case of an emergency, this program gives you a free ride to your destination(s).

If an emergency arises while you are at work or school, or if you miss your usual ride home due to unforeseen emergencies, just dial the quick ride dispatch number you are given upon registering. A driver will be sent to pick you up and drop you off at your destination. All you need to do is fill out the voucher provided by the driver.

Guaranteed Ride Home only provides trips within the ABQ RIDE bus route service area.

Hours of operation: Monday – Saturday, 5:30 am to 10:00 pm; Sunday, 7:00 am to 7:00 pm.

Register online: <http://www.cabq.gov/transit/transit-programs-projects/guaranteed-ride-home> or call (505) 724-3115.

### Retail Gift Cards for Gas

Retail cards useable for gas can be purchased at Wal-Mart (Sam's Club), Smith's and Giant-Conoco. Giant-Conoco sells a debit retail card which can be credited for the amount of money the organization wishes to provide to their client. \$25 is an ideal standard amount, as the client can be given more than one if their gas needs are greater. There is no restriction on any of these cards (they can be used for any retail goods within that store) but all of these retail outlets sell gas and you can encourage your client to only purchase gas with it, as gas assistance is extremely hard to find.

### Rio Metro Regional Transit District Programs

The Rio Metro Regional Transit District is the primary regional transit provider for Bernalillo, Sandoval and Valencia counties, offering transit service between municipalities and across county lines. Website: [www.riometro.org](http://www.riometro.org)

## Ride Share Services

Both **Uber** and **Lyft** are available in Albuquerque, and require downloading the app on your smart phone and providing your credit card information or gift card number.

### Uber Gift Card

Available for purchase online and at retail outlets such as Smith's (\$15-\$500 one-time loadable cards), Target (\$25 and \$50 cards), Albertson's (\$25 cards, \$50 cards and \$15-\$500 one-time loadable cards), and Best Buy (\$25 cards and \$15-\$500 one-time loadable cards). This is a resourceful use of Uber gift cards by one health organization for their patients:

Kim Krupnick, Director of Health Education and Community Engagement at La Familia Medical Center in Santa Fe said they have one work cell phone with the Uber app downloaded that is given to one designated staffperson. One Uber gift card at a time is loaded onto this phone so that no credit card has to be used. Any staffperson authorized to request an Uber ride for their client can contact this designated staffperson, who then orders the ride for the client.

### GoGoGrandparent: <https://gogograndparent.com/>

You sign up with them online and provide your credit card information. Then they are the dispatcher to Uber or Lyft (your choice) whenever you need a ride (or the person for whom you set up the account).

An individual can be on the account or a couple (but it is simpler to have each individual in a couple have their own account so there is no confusion about whose phone number is being contacted when a ride is scheduled).

The way it works is that once the rider is signed up, all he/she has to do is call the GoGoGrandparent number, 1-855-464-6872, to request a ride, say where he/she wants to be picked up and the destination address. The rider is provided with a description of the Uber or Lyft driver and vehicle.

GoGoGrandparent then sends an alert text to the authorized person for that account (which can be the person requesting the ride or a relative who set it up for him/her) and dispatches either Uber or Lyft to pick the rider up.

After the rider is at his/her destination and is ready to arrange a ride home, he/she again calls the 1-855-464-6872 and requests a ride back. If he/she wants to go back to where he/she was picked up, then he/she can press "2" and that automatically tells the dispatcher to return the person to where the trip originated.

From GoGoGrandparent website: "Walkers and foldable wheelchairs are no problem, as long as you can transfer yourself into a car without assistance. We can attempt to check with drivers that they're comfortable accommodating ambulatory equipment. Let any of our phone operators know and they'll add the appropriate notation to your account."

GoGoGrandparent charges a concierge fee of 27 cents/minute from the start of the ride plus the vendor's fare. The charges show up on the account holder's credit card bill.

Note: Anyone can set up an account, including a relative or an agency/organization, and the person(s) utilizing the ride service simply needs to call 1-855-464-6872 to request the ride, or the account holder can call to request the ride.

## American Cancer Society Transportation for Cancer Patients

A volunteer driver provides free transportation to doctor and treatment appointments for current cancer patients. Call 1-800-227-2345 to request a ride. This is a statewide 24/7 helpline for transportation request or other help (such as discussing your diagnosis). If a volunteer is not available, the American Cancer Society will guarantee you a ride to your medical appointment. They also have some funding to pay for lodging if the appointment is outside of the area where you live.

In addition, patients at any of these cancer centers should ask about availability of transportation assistance from the center if they need transportation assistance: New Mexico Cancer Center; UNM Cancer Center; Presbyterian Cancer Center; and Lovelace Cancer Center.
