

## WHAT WILL CHANGE JUNE 1

Restaurants may operate indoor dine-in service at **50% of maximum occupancy** in accordance with COVID-Safe Practices

PHASE ONE

- Bar and counter seating prohibited; no standing service
- Six feet of distance between tables of seated customers
- Discontinue service stations that require customers to congregate
- Stringent and regular sanitizing; trainings for employees on cleaning processes
- **Additional COVID-Safe Practices and requirements on [cv.nmhealth.org](http://cv.nmhealth.org) and [newmexico.gov](http://newmexico.gov)**

## WHAT WILL CHANGE JUNE 1

Hair salons, barbershops, tattoo parlors, massage services and nail salons may operate at **25% of maximum occupancy** in accordance with COVID-Safe Practices

PHASE ONE

- Accept clients on an appointment-only basis
- **More COVID-Safe Practices and requirements on [cv.nmhealth.org](http://cv.nmhealth.org) and [newmexico.gov](http://newmexico.gov)**

Indoor malls may open at 25% of maximum occupancy

- Loitering prohibited; food courts must remain closed

PHASE ONE

## WHAT WILL CHANGE JUNE 1

- Drive-in theaters permitted with COVID-Safe Practices in place
- Additional state parks will reopen in phases
- Hotels may operate at 50% of maximum occupancy under COVID-Safe Practices
- 14-day quarantine order for airport arrivals amended to permit certain business travel under COVID-Safe Practices
- Applies to the entire state (northwestern public health region included)

PHASE ONE

## WHAT REMAINS THE SAME

- Retailers and houses of worship may operate at 25% of maximum occupancy in accordance with COVID-Safe Practices
- Bars remain temporarily closed
- Breweries/wineries can do curbside pickup where permitted by license
- Face coverings must be worn in public settings
- Mass gatherings and congregations still unsafe and prohibited
- Stay home (especially if sick or vulnerable) to the greatest extent possible. Keep 6 feet of physical distance from others if you must go out

## WHAT COMES LATER

- State will continue to track gating criteria and progress in fight against the virus
- Virus transmission data and other key gating criteria will determine timeline for theaters, casinos, museums, zoos, bowling alleys, mass gatherings, large events and more
- New Mexicans' personal decisions will determine how quickly the state can continue to move forward safely.

PHASE TWO
