

Special Offer! Join the Grants Collective Cooperative Network

[The Grants Collective](#) is the nonprofit arm of The Grant Plant, Inc. (TGP), a successful Albuquerque-based grant seeking firm that has secured more than \$95 million for New Mexico's nonprofit organizations. Now the Grants Collective is helping agencies raise their ability and capacity to compete for major grants. The **Cooperative Network** is a subscription-based network that connects nonprofit professionals interested in developing skills, insight and resource for high-performance grant seeking.

A Special Offer. Organizations that **join by August 31 and have an up-to-date [SHARE New Mexico](#) profile will receive 20% off an annual subscription of \$50/month or \$500/year.**

Invest in your organization today to receive preferred access to our trainings and online platform. Register here: bit.ly/TGCJoin. For more information or an in-person demonstration, contact Robert Nelson at robert@thergrantscollective.org. We look forward to seeing you at the next Cooperative Network event!
